Profile:

Priyanka Marathe is an Advocate and a Senior Associate in the Patent department (Engineering department) of Krishna and Saurastri Associates LLP. She has an experience of several years in the field of intellectual property and has handled matters relating to patent drafting, patent prosecution, patentability searches, invalidity searches, Freedom-To-Operate (FTO) searches, infringement analysis, and providing opinions. She has also handled design prosecution. Her area of expertise is electronics. Before joining Krishna and Saurastri Associates in 2016, she has worked in an MNC handling in-house IP matters. She holds a Bachelor of Engineering degree in Electronics from Mumbai University. She has pursued a Post Graduate Diploma in Intellectual Property Rights from Government Law College, Mumbai. Priyanka is registered to practice before the Courts in India, the Indian Patent & Trade Marks Office and is also registered with the Bar Council of India.
